Great Scott!

If our people don't know a good thing when they see it, no use of looking for people who do.

We mean this in candid sincerity, and we want to thank the people who have so generously heeded our solicitations for their work in the last six weeks.

We are now adding to our force at the rate of one man a day.

And now that the Tobacco money is soon to become a Prodigal Son, let's all put our shoulders to the wheel of prosperity, and show the world that Winchester is not only the home of the largest deals, but is the largest 10,000 city of this glorious America. And that the
